## GENDEXFLAME » Linear Gap Seal & Insu-Rock Wool Fire Barrier

GENDEXflame linear Gap Seal is an elastomeric foam/ intumescent strip construction intended for use as an expansion joint filler. Fire rating up to 2 hours.

Intumescent is totally unaffected by water.

Intumescent is robust - 'non-flaking' and difficult to tear.

Suitable for fitting between: Floor, Wall and Ceiling expansion joint gaps.

Tested to BS 476 Part 20:1987 and other International standards.
